Urban Hope NYC is a non-profit, community development arm of New Hope Community Church of the C&MA. We are located in Staten Island, NY by the West Brighton Housing projects giving us an incredible opportunity for reaching out to the community.

**Our Mission** : is to uplift children in the poorest and the neediest neighborhoods of New York City largely through academic assistance and mentoring. Urban Hope offers after-school programs, summer camps and practical Life Bible Studies for children.

Urban Hope has conducted summer programs over the past two years with much success. We have seen baptisms, non-churched families attending worship services, changes in the lives of children as well as their families. Last year we had a budget of \$ 50,000.00, and an average attendance of 45 children per camp day. Please look at our Summer camp report on [Urbanhopenyc.org](http://Urbanhopenyc.org). for more information.

This year, our camp will be conducted from July 5th to Aug 13th 2010. We expect around 50 students to attend our Bible based curriculum camp. The camp includes Worship time, Bible studies, game times, arts and crafts, field trips, etc.

**We are looking for** : Team Leaders ( both paid and volunteers positions) who will be in charge of a group of children and street leaders. The position entails teaching children, mentoring street leaders (teenage leaders), and motivating children to participate in arts, crafts, music and worship time.

**What are we Looking for in Team Leaders:** Team leaders should be mature Christians who are ready to lead and be led, will work under the team of program directors, will join in giving healthy suggestions, and have the spirit of perseverance, discipline, love, humility and meekness.
